

Calling All Cosmic Collaborators!

We're thrilled to announce that the 3rd Annual Carbondalien Festival will be landing in Downtown Carbondale and nearby Russell Park on November 6th & 7th, 2026!

Thanks to your incredible support, last year's event was a stellar success—drawing visitors from galaxies near and far (well, at least across state lines). This year promises to be even more spectacular!

Guests arriving early will be treated to a variety of pre-event activities, along with a chance to explore Carbondale's unique local shops and restaurants. On festival day, the celebration kicks off at The Landing Pad in the Downtown Business District, featuring live music, a cosmic marketplace, and surprise intergalactic guests.

Over at the crash site, you'll find guided reenactments of the landing, delicious food, and out-of-this-world fun for Earthlings and extraterrestrials of all ages!

We're counting on your support to help us launch another unforgettable experience. Enclosed is a sponsorship form with exciting opportunities to get involved at various levels.

Thank you for helping us make Carbondale's most otherworldly event a reality once again!

With gratitude from your festival command center,

The Carbondalien Planning Committee

All inquiries can be directed to our Landing Pad Virtual Office at carbondalienfestivalpa@gmail.com
